PRODUCT OF THE MONTH

Bitter Leaves

We love all the bitter leaves that are in season over winter. There are the radicchios from Italy, of course, such as tardivo, castelfranco, pink and trevise. We also have a UK grower who is now supplying tardivo on a commercial scale. Other lines from Italy include puntarelle and cime di rapa. From France, there is friseline and endive - all fantastic winter salad leaves.

MEET THE TEAM:

Joel Osei, Warehouse Assistant

"At this time of year I love the Nardicots and clementines. I've been working at All Greens for about 11 months. I'm one of the team that is in charge of the stock - stock taking and restocking. I also help to pack the orders for our shops. You have to know all the products and be vigilant - make sure the quantities and quality are just right. I come from Ghana and I love to cook Jollof rice - although I never seem to get it right."

DAIRY | DRY GOODS | PRE-PREPARED

Don't forget that All Greens also sells a wide range of other products for your kitchen, including dry goods, dairy and staples such as blue roll. Bestsellers include cooking oil, Maldon salt, nuts, Heinz ketchup and Hellmann's mayonnaise. The range extends to specialist lines such as agave syrup, Turkish red pepper flakes and kimchi.
