## PRODUCT OF THE MONTH

### Yorkshire Forced Rhubarb

Forced Yorkshire Rhubarb is a true British delicacy. Grown in the famous "Rhubarb Triangle" under carefully controlled conditions, this vibrant pink rhubarb is cultivated in complete darkness and harvested by candlelight to ensure its signature sweetness and tender texture. Unlike outdoor rhubarb, forced rhubarb has a delicate, almost floral tang with a silky consistency, making it perfect for crumbles, compotes, and even savory pairings. Available for only a short while from late January to March, this seasonal gem is a must-have in February.

### SPOTLIGHT ON:

Oded Oren, OREN & Oren Delicatessen Meet Oded Oren: an Israeli-born chef and restaurateur bringing Mediterranean flavours to East London. Since opening Oren in 2019—a neighbourhood gem in Dalston—he's been delighting diners with seasonal, bold dishes. His second venture, Oren Delicatessen on Broadway Market, offers Mediterranean baked goods, deli favourites, and wines. We recently caught up with Oded, and his full interview (and maybe a recipe!) will be on our blog soon.
