PRODUCT OF THE MONTH

English Plums

English plums are sweet, tangy, and perfectly ripe, with smooth skin and juicy flavour.

We've got Victorias, Jubilees, Opals, and the coveted Damsons too, but they're very limited, vanishing almost as soon as they arrive to the market.

They're fresh, British, and hyper seasonal, but they won't be around for long so grab them while you can!

SPOTLIGHT ON:

Erik "Smokey" Bautista, Homies on Donkeys

For Chef Smokey, vegetables can be as exciting as meat, and innovation matters as much as tradition.

He and his partner, Sandra, have come a long way. From a humble 8-seater stall in Walthamstow to winning the BBC's "Britain's Top Takeaway: Mexican Edition".

Every dish there tells a story of culture, craft and evolution. Read the full interview [here](#).
