PRODUCT OF THE MONTH

Radicchio

Radicchio feels like winter's way of adding a little drama to the plate.

From the peppery Tardivo to the elegant Treviso, the delicate Castel Franco, and the subtly sweet Rosa, each variety brings its own twist of flavour, colour, and texture.

With its vibrant hues and gentle bitterness, radicchio brings a refreshing, crisp lift right when the season gets heavy.

It's kind of a vegetable that doesn't just arrive—it makes an entrance, and December suits it perfectly.

SPOTLIGHT ON:

Aman Dhir, The Great Indian

We sat down with Aman Dhir and the chefs behind The Great Indian to chat about their journey, from running one of East London's most loved Indian takeaways to their recent foray into opening The Great Indian gastro pub in Finsbury Park.

Join us behind the scenes as Aman and his team share the painstaking efforts they take to ensure every dish remains faithful and authentic to its place of origin. The full interview will be up on our blog soon!
