PRODUCT OF THE MONTH

Agretti

The season for agretti runs from January to around May. The plant is cultivated in coastal regions of Italy - both outdoor and in greenhouses - and is also known as monk's beard.

If you've not tried it, this wonderful ingredient is similar to samphire, which grows wild here in the UK. In Italy it is typically briefly steamed or wilted in a pan and served with fish.

Supplier Highlight - Owley Farm Mushrooms

We're delighted to welcome Owley Farm Mushrooms to the All Greens family. Based in Kent and run by Harvey Piper, Owley Farm specialises in beautifully grown, high-quality mushrooms, with freshness and flavour at the core of everything they do. Partnering with growers like Harvey allows us to bring consistently excellent produce to our customers, sourced with care and delivered at its best.

DAIRY | DRY GOODS | PRE-PREPARED

Don't forget that All Greens also sells a wide range of other products for your kitchen, including dry goods, dairy and staples such as blue roll. Bestsellers include cooking oil, Maldon salt, nuts, Heinz ketchup and Hellmann's mayonnaise. The range extends to specialist lines such as agave syrup, Turkish red pepper flakes and kimchi.
