# PRODUCT OF THE MONTH

## CHERRIES

Sweet, juicy, and right at their seasonal peak, cherries are our Product of the Month for June. With their deep colour, rich flavour, and perfect balance of sweetness and acidity, they're a true sign that summer has arrived.

Ideal for snacking, baking, cocktails, or adding a vibrant finish to savoury dishes, cherries are one of the most versatile fruits of the season. Best enjoyed fresh and chilled, they're a staple for chefs and home kitchens alike throughout June.

Keep an eye out for the finest varieties landing this month while they're at their very best.
