PRODUCT OF THE MONTH STONEFRUITS

Summer is peak stonefruit season, bringing sweet, juicy peaches, nectarines, apricots, cherries and more to the market.

Packed with flavour and perfect for desserts, salads, or simply enjoyed on their own, they're a true taste of the season.

British varieties won't be around for long, so make the most of them while they're at their best!

SPOTLIGHT ON:

Michael Bagnall & Dylan Walters @ Auguste

This month we visited Auguste in London Fields, where chef Michael Bagnall and Dylan Walters have created one of London's most exciting new Italian restaurants. Inspired by the Abruzzo region of central Italy, the menu celebrates charcoal-grilled cooking, exceptional seasonal produce, and traditional arrosticini skewers, all paired with thoughtfully selected wines. With a focus on simple, ingredient-led dishes and warm hospitality, it's easy to see why Auguste has quickly become one of the city's standout openings. They are also, just a lot of fun to be around!
