PRODUCT OF THE MONTH

English Apples

These apples are crisp, aromatic, and full of character, sourced this month through Brogdale Farm, home of the National Fruit Collection.

Alongside firm favourites like Bramley for baking, we're bringing in rarer heritage varieties including Adam's Pearmain, Kidd's Orange Red, and Ananas Reinette, each with its own distinct flavour and centuries of English growing history behind it.

SPOTLIGHT ON: Cured And Raw

This month we're shining a light on Cured & Raw, our go-to for authentic Italian cheeses and charcuterie. From Squacquerone di Romagna D.O.P. to Sopressa Raffinata and Ventricina del Vastese, everything they source comes straight from small, traditional Italian producers, prioritising quality and provenance over shortcuts.

We love working with them because every product tells a story, whether it's a centuries-old curing method or a family-run dairy. If you haven't tried their range yet, it's well worth a taste. [Click here to read the full interview!](#)
