- Chestnut

* = special order

PRODUCT OF THE MONTH

English Apples

These apples are wonderfully crisp and juicy, with a delicious mix of sweetness and tang.

Royal Gala, Bramley, and Cox are some of the bests of British apples we've got in at the moment. All of them are in high demand.

Right now, is the perfect moment for apples, fresh and full of flavour, so don't miss out.

SPOTLIGHT ON: Cured And Raw

This month we're shining a light on Cured & Raw, our go-to for authentic Italian cheeses and charcuterie. From Squacquerone di Romagna D.O.P. to Sopressa Raffinata and Ventricina del Vastese, everything they source comes straight from small, traditional Italian producers, prioritising quality and provenance over shortcuts.

We love working with them because every product tells a story, whether it's a centuries-old curing method or a family-run dairy. If you haven't tried their range yet, it's well worth a taste.

DAIRY | DRY GOODS | PRE-PREPARED

Don't forget that All Greens also sells a wide range of other products for your kitchen, including dry goods, dairy and staples such as blue roll. Bestsellers include cooking oil, Maldon salt, nuts, Heinz ketchup and Hellmann's mayonnaise. The range extends to specialist lines such as agave syrup, Turkish red pepper flakes and kimchi. Contact us to find out more.
